

Mission Statement

- Grace Community School (GCS) is an inter-denominational community school that educates children through a Christian philosophy of education.
- GCS recognizes that God through his Word, the Bible, is the absolute authority and basis for all truth. Under that authority we desire to work with the local church, the evangelical community and others who support our basic mission.
- With the Christian community we seek to assist Christian families in their Biblical responsibility to train their children to become Christ-like and to fulfill God's purpose for their lives in the home church and society.
